README

Hi, I'm Rashi Agarwal

1 I'm a 1st year Computer Science Engineering student

2 I've recently started my journey in programming and web development, and I'm really enjoying learning how things work behind the scenes.

3 My goal is to improve my problem-solving skills and gradually build real-world projects that I can be proud of.

Skills

- HTML (Basics)
- CSS (Basics)
- JavaScript (Learning)
- C Programming (Basics)

Currently Learning

- Web Development
- Data Structures (Beginner Level)
